The Chairman opened the meeting by welcoming Mrs Sue Mumby. Mrs Mumby had come along at the request of the council to explain what she can offer in help for funding. Mrs Mumby has a funding business whereupon she writes Community bids for local Communities, Parish Council's etc, it's a no win no fee. Standard charge is 10% if the bid is successful. She went on to explain how it all works, if one bid is unsuccessful then another one can be applied for, if we engage her services there will be a contract and a one person contact. If professional fees can be written into the bid then this will be done. We firstly have to consider what it is we want, then get a quote and Sue can begin researching. The Chairman went on to explain that the Vice Chairman will be the lead in the project so we may have to meet again, but first and foremost we have to establish an action plan, involving all the Councillors and the possibility of a questionnaire for the village which Sue can also provide help with. All Councillors to look around the village and see what it is they think the village would benefit from in form of sports field, play area etc, This item to go onto the agenda for the next meeting to get the action plan started. The Chairman and all Councillors thanked Sue for attending, it had been most informative and they would be in touch.
